

GREATER NOIDA INSTITUTE OF TECHNOLOGY

Subject: - Call from your Alma-Mater

Dear Alumnus
Greetings !!

GNIOT Group of Institution, Your Alma Mater is in the 15th Year of its glorious presence. We have a feeling of pride of giving our society thousands of jewels like you.

I have recently joined the group as Director General. I personally want the alumni of our group to join hands and together we contribute to the nation, the society and to each other as a family and fraternity.

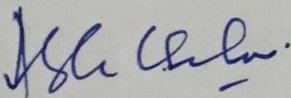

We are planning an alumni week sometimes in the month of March. I invite your inputs and ideas on this.

In the meantime, you can visit the website www.gniotgroup.edu.in and update your status in the alumni section.

I shall personally keep in touch with you. I hope we shall strengthen the string of connection and will produce positive results together.

Looking forward to meet you and know each other.

With lots of Love and affection.

(Dr. Alok Chauhan)
Director General
GNIOT Group of Institutions
